Recycling Happiness One Celebration at a Time

Welcome to Lady Slipper Affairs & Events. We are excited to offer a place where something old can be new again. We offer repurposed, recycled, and reused décor from past weddings and events as one of our many services.

We are pleased to add your gently used wedding and event décor to our collection. We are selective in choosing our inventory to provide a wide variety of goods to our customers. Therefore, we may not accept all items presented for resale.

Drop Off and Pick Up Procedure:

Inventory List : Please list your items individually on our inventory sheets at (or before) time of drop off. All items will be inspected by consigner and consignee for condition of items delivered. All items will be described in detail and will have a product ID number unique to each consigner. Consigner and consignee must sign and date each inventory sheet.

Drop Off Time at Lady Slipper Affairs & Events at 928 Hopmeadow Street, Simsbury Town Shops, Lower Level, Simsbury, CT 06070 from 10-2 Thursday and Friday or by appointment Sunday-Wednesday. Please call with any questions 10-5 M-Sat., 413-531-5883.

Pick up for unsold items Thursday & Friday during our regular business hours but would appreciate notification prior to pick up. Payment for outstanding sales will follow regular payment schedule.
